"...the experience I gained here definitely helped a ton to get this job"

Milla Parviainen, Google review 5 stars
Create a digital media plan for your brand and business.

Social Media has become a new norm in this generation. Knowing how to utilise social media to your advantage will give your business an extra boost.

Learn about different social media platforms and what they do so you can select which ones make the most sense for your business.

Figure who and where your audience is on social media and how to connect with them so you can build strong relationships with your customers.

Explore how to strengthen your brand and use social media ads so you can increase awareness and attract new customers.

Get tips on how to create engaging content and ads for different social platforms, schedule posts, and look at data insights so you can feel confident to start building a social media strategy for your business.
Take control of your social media marketing and bring it inhouse.
Marketing from anywhere with Social Media Marketing With Us

• Understanding Different Social Media Platforms and how to reach your target audience in an engaging way.
• Targeting, Competitor Analysis, Social Media Listening, Insights; all core skills for connecting with the right people for your business.
• Building A Content Calendar to publish your content over multiple channels with the aim of telling your story to more people.

We believe your success is our success
Our instructors are industry experts who have a wide range of professional experience, and up-to-date knowledge of software and workplace practices.

Turn theory into knowledge as you learn to strategise the market through social media for your business. Our aim is to support your learning goals with hands-on industry training, career advice, and ongoing support and guidance.

Our classes are intentionally designed to be interactive and practical, so that you feel confident to share ideas as well as independently create your own designs.

You will receive additional resources such as class projects, worksheets, and online help, so you always feel supported and encouraged as you learn.

Our courses are constantly reevaluated and developed to give students the most relevant, up-to-date knowledge and skills. We want you to feel confident and prepared to take your first steps in a new direction—both personally and professionally.
# Course outline
